### **Solar Ecoled Bulbs - AC / DC**

- Top international quality, lowest price, highest efficiency
- Long Life 50,000 Hours (over 10 years)
- 3 years warranty - Free replacement of spares
- Unmatched 3 Years warranty on replaced spares also
- Available in 2W, 4W, 6W, 8W and 10W warm/cool white colours
- Replaces: 25 to 100 Watt GLS bulbs and 7 to 32 Watt CFL
- Applications: General down lighting

### Solar Ecoled Bulb Specification

MODEL NO.	LB22CWAC	LB24CWAC	LB26CWAC	LB28CWAC	LB210CWAC
Input operating voltage range	85V TO 285V AC	85V TO 285V AC	85V TO 285V AC	85V TO 285V AC	85V TO 285V AC
Power Consumption	2W	4W	6W	8W	10W
Led Light Output (Lumen)	200 Lumen(Cool White)	400 Lumen(Cool White)	600 Lumen(Cool White)	800 Lumen(Cool White)	1000 Lumen(Cool White)
Electronic Efficiency	> 85%	> 85%	> 85%	> 85%	> 85%
Power Factor	>0.8	>0.8	>0.8	>0.9	>0.9
Colour Rendering Index	>70 and above	>70 and above	>70 and above	>70 and above	>70 and above
Colour Temperature	6500K ( Cool White)	6500K ( Cool White)	6500K ( Cool White)	6500K ( Cool White)	6500K ( Cool White)
Salient Features	<ul style="list-style-type: none"> <li>•Alu. Heat Sink housing with Air Fins for excellent heat dissipation</li> <li>•Unbreakable polycarbonate dome with good diffusion properties.</li> </ul>				
Led Make	Best International quality high lumen/watt LED's				
Working Life	>50,000 Hrs.				
Driver output has Over voltage and short circuit ptotection.					
NOTE :- Solar Ecoled Bulbs are also available in Warm white colour.
